Subject

Re Restoration of the resumed cash grant of Rs 20-6-0 per annum to the Sri Malleswara devaru temple at Attikuppa — (Krishnarajpet).

LAST REFERENCE:—

Letter No. 61 dated 29th August 1904 from the Dy Commissioner Mysore district

During the Inam Settlement in 1880, the cash grant of Rs 20-6-0 per annum payable to the Sri Malleswara devaru temple at Attikuppa in the Krishnarajpet Taluk was resumed owing to the then disrepaired condition of the temple. In June 1899 the Dy Commr of the Mysore district recommended the restoration of the resumed grant as the mutt was reported to be in good order. From enquiries made of the Dy Commr as to when & by whom the temple had been repaired it was ascertained that the devotees had executed certain

repairs thereto and upon the further recommendation of the D. C. for the restoration of the cash Tasdik, the Dewan was advised on the 1st May 1901 that question might be considered only after the repairs were completed. The temple was inspected by the late Nurasu Sastry (Rao Bahadur A. Seenivasachariar) on the 14th March 1900 and as personally instructed by him Mr. Sambasiva Mood. Sub Asst Engr submitted an Estimate for Rs 404/- of which the devotees contributed Rs 200 & the balance had to be met from the State grant. But as the State grant of that year had been exhausted the D. C. was requested to renew the application. Meanwhile, one Ramu Yaggeswara presented a petn praying for the restoration of the grant. This petn

was forwarded to the Dy Commr who now ~~reports~~ submits* an Estimate amounting to Rs 857 for the repairs of the temple and reports that certain repairs were executed according to the Estimate for Rs 554 (not 404 as originally stated) & that the contractor was paid 150 Rs, leaving a balance of Rs 60 still to be paid to him but that when the present Estimate for Rs 857 was prepared, the contractor has agreed to pay Rs 60 as contribution. It is reported that there is a sum of Rs 421-15-0 at the credit of the temple plus Rs 3-9-0 being the interest on the amount deposited in the Savings Bank This amount represents the contribution made by the devotees & the Dy Commr requests sanction for the other half from the State grant. He repeats his recommendation for the restoration of the resumed cash grant.

The points now for orders are: —

(1) to restore the resumed cash grant of Rs 20-6-0 per annum to the temple

& (2) to sanction the Estimate for Rs 851/- the charge being met as follows:—

Rs 425-8-0 from the savings at the credit of the Trustee

Rs 425-8-0 from the State grant.

The amount available at the credit of the State grant is Rs 11,921-2-7.

Submitted
2/ 5/9/04.

The question of the restoration of the cash grant may, as directed by the Dewan in 1901, be favorably considered after the repairs are finally completed

As regards the repairs, I think the present estimate for Rs 851 may be sanctioned, the amount being charged as shown above.

I am informed that this is a large temple and the only important one in Kasba Krishnarajpet.

1 The Votaries and the Community interested in the preservation of the temple, the Amildar states, are not prepared to contribute towards the estimated cost of repairs; but the Amildar recommends that the temple may be restored at the cost of Government in commemoration of the visit of His Highness the Maharaja to the place

Enclosure No. 3

His letter no. 166, dy 14th April 1901, requesting sanction to an estimate amounting to Rs 404/- for repairing the Sri Malleswaraswami temple at Krishnarajpet.

Has the honor to observe that, of out of the sum of Rs 404/- required to meet the cost of the repairs as per Estimate refd to in the above the devotees have contributed only Rs 200/-, and the balance has to be met by a grant from muzrai funds, as the Institution has no savings at its credit. But this

grant cannot be sanctioned now, as the State Grant provi in the current year's municipal Budget has been already exhausted. The Dy Comr may therefore renew his proposals regarding the repairs of the temple at the commencement of the next official year.

2. The enclosures are accordingly ret'd herewith.
